*For students with disadvantage compensation

- the exams take place at the exact same time at all schools
- following modules don't have a final exam: D1, D3, E6, C6 (so they don't show up on the list)
- FX re-examination: with a grade of 3.5 (FX) you have the possibility to write a re-examination in the CS-modules (max. improvement grade 4.0).
If a module is not listed above, the re-examination will take place individually.
