*For students with disadvantage compensation

- the exams take place at the exact same time at all schools
 - following modules don't have a final exam: E1, E2, E4, BP3, CO1, CO2, F6, E3 (so they don't show up on the list)
 - Re-examination: with a grade of 3.5 (FX) you have the possibility to write a re-examination in the CS-modules(max. improvement grade 4.0).
- If a module is not listed above, the re-examination will take place individually.
